STATE COLLEGE OF IOWA

ADMISSION OF NEW STUDENTS

The application for admission, high school credits and transcripts of credit earned in other colleges must be in the Office of the Registrar before an admission card can be issued.

REGISTRATION PROCEDURE

Notice of intent to register for fall semester must have been filed with the Registrar before registration materials can be prepared. This is required regardless of your classification or where you will be living while attending classes during the fall semester.

1. Pay the Registration Deposit of \$50.00 at the Business Office. \$25.00 of the deposit is not refunded if the student fails to pay the balance of his fees by the time specified when he is billed or fails to begin the fall semester or withdraws from school except for reasons beyond his control (e. g., suspension from college, draft by Selective Service).
2. Present receipt for Registration Deposit and pick up registration materials at the Registrar's Office, Administration Building. Except for new students, these will be filed in STUDENT NUMBER ORDER.

Students who have not filed notice of intent to Register with the Registrar, regardless of where they will be living, at least 2 weeks in advance of registration will be delayed. Students who have unpaid accounts or other irregularities will also be delayed until these matters are cleared.

3. Fill out the registration form. This is a carbon form and must be filled out with care to insure a good carbon copy. Use a typewriter if possible.
4. See your adviser and get your schedule approved.

Advisers will be in their offices.

Teaching assignments will be made at the Campus School.

Students registering for student teaching must be completely cleared and assigned before registering. Those who have not been cleared and assigned must delay their registration until after their assignments are made.

5. Secure course cards in the Scheduling Room, Administration 244.

This is to be done at the time indicated on your Permit-to-Register card. See that the class cards given you are correct as to the course and section numbers and hours of credit. Turn in all materials at Check-Out tables before leaving.
